

New Source Review newspaper advertisements for construction permit applications January 4, 2020. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on the following dates: January 6, 2020. Public notices are generally published every week. The previous publication of public notices was December 31, 2020.

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (615) 532-0207. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

HEADER

The applicant is Vulcan Construction Materials, LLC dba Springfield Quarry with a mailing address of 115 East Park Drive, Suite 100, Brentwood, TN 37027. They seek to obtain an air contaminant permit (Division identification number: 74-0009-04/978728) for the addition of a portable Rock Crushing and Sizing Operation located at 4275 Highway 431 North, Springfield, TN 37172. This operation will consist of a crusher, screen, conveyors, and associated equipment used for crushing and sizing rock material. Wet suppression is used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. T. Kefauver is the assigned Division person.

For the Robertson County "Robertson County Times" publish once on Wednesday. January 6, 2020

HEADER

The applicant is Nashville Ready Mix of Clarksville, LLC with a mailing address of 8120 Brown Sawyer, Nashville, TN, 37221. They seek to obtain an air contaminant permit (Division identification number: 63-0160-02/978657) for the modification of a Concrete Batch Plant Operation located at 1451 Nolen Road, Clarksville, TN 37042. This existing operation consist of two storage (cement/fly

ash) silos, conveyors, and filter cartridges used to produce ready mix concrete. Fabric filter bags from silo vents are used for pollution control. The requested modification is to increase the production rate of the concrete plant. There would be no physical construction. Regulated air contaminants emitted by this source would increase. Mr. J. Horton is the assigned Division person.

For the Montgomery County “Leaf-Chronicle” -- publish once on Wednesday January 6, 2020.
